Multimedia Designer

Greater Minnesota Communications, a digital marketing and communications firm located in Winsted, MN, is searching for a creative, experienced multimedia designer to join our team. The best thing about working for us? *Variety!* This position is definitely not for the type of individual that wants to be doing the same thing day in and day out; every day has its own unique challenges and opportunities.

We are looking to find a motivated individual who would like to take on responsibility and grow with our company for a rewarding career.

JOB DESCRIPTION/QUALIFICATIONS

- Designing marketing materials, such as brochures, flyers, post cards, folders, etc. for a variety of businesses and customers on a daily basis.
- Creating visually appealing advertisements (both print and digital) for a variety of businesses and customers in numerous different industries regularly.
- Design and create files for use in our sign shop to produce vehicle decals, small and large-scale signs/billboards, and vehicle wrap graphics as needed.
- Previous digital design experience (digital advertising, web design) and knowledge of Wordpress a huge plus.
- Self-motivated and able to work independently in a fast-paced team environment.
- Being detail-oriented and having multi-tasking skills are critical in this position.
- We are more than willing to train the right individual on different aspects of this position. Salary commensurate with experience and there are regular performance reviews.
- Proficient in Adobe Creative Suite (InDesign, Illustrator, Photoshop) is a must.

If you are a detail-oriented person and like working on a variety of different projects, you may be a good fit for our team! If this sounds like the perfect fit for you, we would love to talk with you! A resumé and cover letter may be sent to:
